

**MOST IMPROVED STUDENT
\$500 SCHOLARSHIP
2010**

Did you get off to a bad start in high school? Maybe your overall GPA isn't stellar, but you've worked hard to bring it up.

Are you college bound?

Do you participate in clubs, sports or other activities?

Westchester Rotary is looking for someone special who has improved as a student and a person!

We're not looking for the valedictorian!

If this sounds like you, please write us a one- or two-page essay to *let us know about you.*

How have you changed? How have you grown up? How have you made a difference? Where will you be attending college? How are you a better person?

Deadline:

Essays need to be turned in by April 30th, 2010.

Selection:

The winner will be selected by the Rotary Scholarship Committee.
Family members of Westchester Rotarians are ineligible.
