Students receive an on-line score report with detailed performance analysis, including personalized feedback on the essay. You will also have the option to schedule a one-on-one score report consultation with a testing expert.

Parents are invited to join their students for these consultations, where you will learn to interpret your Revolution score report and ask any questions you have about standardized testing & options for preparation.

Your score report can be accessed online.

*"Revolution is awesome!
My teacher provided so much individual attention and made class fun. Revolution Prep is the greatest. My SAT score went up over 300 points!"*
